I am delighted to welcome our visitors including potential collaborators to our website at the University of Nairobi. Our section is committed to serving the needs of all students and faculty from all walks of life, all around the world.

We know that academic endeavour is more valuable when it makes a contribution to our world which inspires us in our community and national development. However, with the current economic hardships facing our country and the world at large, have hindered some students from accessing university education. My office is committed to assisting such desperate students in achieving their academic goals and aspiration.

In achieving good corporate governance, excellence and professionalism, which are the main commitments of the University of Nairobi we employ **confidentiality,empathy, professionalism, quality customer servicede, strong social responsibility teamwork and tolerance.**

Prof. G. Muriuki.
