

UNIVERSITY OF NAIROBI

INTERNAL ADVERTISEMENT

Applications are invited for the following position:

PRINCIPAL TECHNOLOGIST, GRADE 13, DEPARTMENT OF HUMAN ANATOMY AND PHYSIOLOGY, FACULTY OF HEALTH AND SCIENCES, AC/11/19/25 (R&T), 1 POST

Applicants must be holders of a Master's degree in Biotechnology, Medical Laboratory Technology, Biological Sciences or related field from a recognized institution plus three (3) years' experience as a Chief Technologist Grade 12 in a busy Human Anatomy teaching/research laboratory. They must have experience working in Gross Anatomy, Microscopic Anatomy and Developmental Anatomy laboratories as well as the Mortuary. Participation in publication/academic writing will be an added advantage.

The successful candidate will be expected to among other duties supervise technical staff in the department, develop instructional materials for technical and academic use, organize student practical sessions for both undergraduate and postgraduate, participate in students projects and research activities in the human anatomical sciences, organize and ensure collection of and disposal of cadavers for teaching purposes, participate in procurement matters, provide leadership in technical matters and participate in administrative duties in the Department.

NOTES:

1. Applicants should email their application letters, certified copies of certificates and curriculum vitae (CV) giving details of their qualifications, experience and three (3) referees, as well as indicating their telephone and e-mail contacts.
2. Applications and related documents should be addressed to the Director, Human Resource, University of Nairobi.
3. Applicants should state their current designations, salaries and other benefits attached to those designations.
4. The application letter must bear the reference code indicated in the advertisement.
5. Late applications will not be considered.
6. Applications should be emailed as one file in PDF to: recruit-pthaamedphy@uonbi.ac.ke

CLOSING DATE: FRIDAY, DECEMBER 5, 2025
